

Obsess

Wirelessly stream movies, video games, music, and more on the guest room HDTV

Give Guests an Experience They'll Never Forget

Wireless Connectivity Dock with Optional Alarm Clock

Create a seamless, connected environment from the most comfortable spot in the room. Music, movies, and more are wirelessly displayed from any tablet or smartphone right to the guest room HDTV. With Obsess from G-LINK it's no longer just plug-and-play, it's freedom and power.

Lasting Impression

- Guests will be obsessed with the convenience of G-LINK — accessing their movies, video games, pictures, music, and more from the comfort of their bed

Wireless Freedom

- Connectivity for your guests' favorite devices including Apple®, Android™, Windows, and others

Simple Installation

- HDMI output from the wireless receiver allows easy connection to the HDTV

Instant Connection

- "EZ-ON" puts your guests' video on the HDTV without any special steps by automatically detecting the guests' device
